

# DESIGN A NEW TOWN HALL FOR GUISELEY

Put yourselves in the shoes of the designers planning to build Guiseley Town Hall way back in the 1800's. Over 150 years on, Guiseley has changed a lot, as well as the needs of the community who live in the Town. If you could design a new Town Hall for Guiseley Theatre today, what would it be like? Send photos of your ideas to [info@guiseleytheatre.org](mailto:info@guiseleytheatre.org)!

FLOOR PLANS - Draw a birds eye view of your ground floor

What will  
be in each  
room?

Is there a  
kitchen?

Are there  
toilets?

What could  
you include that  
Guiseley needs?

Is there  
any technical  
equipment in  
the rooms?

What facilities  
are in the  
building

Study the blank floor plans of the Theatre - do you like the layout of Guiseley Theatre or would you change it?
