

# RUN YOUR OWN FUNDRAISER TO #SAVEOURSTAGE

We are trying to raise £20,000 to rewire our building and replace our stage equipment so that we can have live shows from our stage once lockdown is over. Can you host a fundraiser for us? Here are some ideas! make sure to let us know what you are planning and send pictures so we can share it far and wide!

Run 1k, 5k, 10k or more outside, in your living room or in your garden

Perform a play or musical via zoom to your friends and family!

Have an online dance party. Pop on your dancing shoes, your favourite tunes and livestream a dance-a-thon from the comfort of your home.

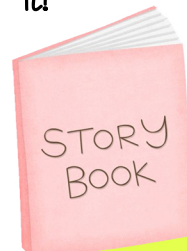

Get gloopy! Sit in a bath of baked beans! Shower in ice! Take photos to prove it happened!

Paint a picture of Guiseley Theatre and sell it!

Write your own short story, print it out and sell it!

Choose a length of time - a day, a week or a month and get sponsored to give something up! Talking, watching netflix, chocolate - anything!

Host an online fundraising event via Zoom or another online platform - a quiz, a music gig or a games night!

Create your own vouchers and sell them for when lockdown is over - a home baked cake, a hug or even a high five!
