

Welcome Pack

This pack should give you all miscellaneous information you might need to prepare for your visit to Guiseley Theatre

Staff

Guiseley theatre has a very small team of staff working limited hours and is reliant on a vast team of volunteers to ensure the building runs smoothly. It is very likely that when you visit Guiseley Theatre, all of the buildings representatives are volunteers.

Our staff team is made up of:

Jacob - Managing Director	jacob@guiseleytheatre.org
Kerry - Administrative support	kerry@guiseleytheatre.org
Lucy - Marketing lead	lucy@guiseleytheatre.org
Daniel - Technical Supervisor	daniel@guiseleytheatre.org
Jackie and Martin - Cleaning team	

We then have a Board of Directors made up of passionate individuals and oversee a broader vision of the building.

Contact

The best way to contact the theatre is via info@guiseleytheatre.org. Our team works sporadic and minimal hours, but the 'info' is monitored by multiple people most of the time. Once a member of the team has made contact they may be the best point of contact and will reply when they are able to.

The Theatre has no affiliated phone number. If someone from Guiseley Theatre were to contact you via phone, this will be from their own personal phone number. Please respect this and be considerate when you make phone calls.

Access

Guisseley Theatre is a challenging building when it comes to access. The building has not changed much in its 157 years of existence and unfortunately, access wasn't as much as a priority in the 1800's. Whilst we are desperately trying to improve this, we are limited by the building and available funds. We have plans for Guisseley Theatre to be a fully accessible building in the future, but at present we have restrictions.

As you approach the building, there are 2 steps up to the main entrance.

There is 1 step up to the stage door, however a temporary ramp can be put out at request.

The ground floor rooms all have wide door frames with no steps.

There is a disabled toilet on the ground floor, however it does not fully conform to advisory dimensions.

The first floor (main auditorium) is accessible via a large staircase which has a stannah stairlift running the length to the first floor. If a person is able to transfer from a wheelchair to the stair lift, we can arrange for the wheelchair to be carried to the first floor.

The balcony is only accessible via stairs.

There is no step free access to the main stage.

Bars

Barrett's Bar is our main theater bar that is open every Friday and Saturday evening regardless as to weather there is an event on at the theater. On show days, the bar is open 60 minutes before the advertised start time. Barrett's Bar comfortably seats around 35 people in a beautiful surrounding.

On the landing of the 1st Floor, we have a smaller Bar with no seating. This 'hole in the wall' is utilized when larger events take place in the main performance space.
